R1 KALGOORLIE FEED BARN HANDICAP 1100m 1:55

| | |
|---|--|
| 4 | Temple Man – Good win on debut and looks one to have some ability. Goes over the 1100m once again. |
| 3 | Indriel – Excuses last start after a big defeat. A previous winner over 1100m. |
| 1 | Mervyn – Was ridden hands and heels last start to the line when still yielding ground. 1100m looks the maximum. |
| 6 | Rosenberg – 413 days since his last start. Trialed a few weeks back. |

R4 RELPH ELECTRICAL CONTRACTORS HANDICAP 1400m 3:45

| | |
|---|--|
| 4 | Rhino Buster – Fresh horse on the scene. Well performed and looks set for a good Esperance season. |
| 2 | Casino Belle – Ran out of his skin in the Hannans to finish third. Drawn well but has the big weight of 59.5kg. |
| 5 | Thidwick The Moose – Winnable assignment after beaten five lengths in the Hannans. Pateman back aboard. |
| 7 | Any Given Time – Third start in eleven days. Good win on Kalgoorlie Cup day when proving too strong. |

R7 LUSH BODY & SOUL HANDICAP 1300m 5:25

| | |
|---|--|
| 6 | Angelic Angel – Finished second at three of her past four starts. Form reads well for this and Warwick riding well. |
| 2 | Speed Bandit – Progressive type who finished close up last week. Drawn to get a soft run. |
| 9 | Omerta – Never beaten far. Mitch Pateman to partner the lightly raced 6yo. Keep safe. |
| 1 | Bos Taurus – Winner at odds in the Golden Whip. Maddison Brown's claim will assist the topweight. |

R2 SNAP KALGOORLIE MAIDEN 1300m 2:35

| | |
|---|--|
| 9 | Universal Halo – Third run at the track. Drawn to get the run of the race. On the seven day backup. |
| 5 | Cinderella's Dream – Looks one of the main chances in a very even field. Claim of Kersley will assist. |
| 6 | Infamy – Steps up to the 1300m for the first time. Sixth career start and starting to find some form. |
| 1 | Cricket Inda House – Tenth start and his first at the KBRC. Beaten big margins at Belmont Park of late. |

R5 VISSIGN AUSTRALIA HANDICAP 1760m 4:15

| | |
|---|--|
| 1 | Booma Lacka – Record at the KBRC is good with two wins and a minor placing from four attempts. The one to beat. |
| 3 | He Said She Said – Unlucky to not pick one up of late. Has gone down less than a head at his past three starts. |
| 5 | Total Eclipse – Ran a good second on Hannans Day when going down half a length. Drawn ideally. |
| 6 | Don't Speed – Went out a false favourite on Kalgoorlie Cup day. 1760m suits the middle distance type. |

R3 THOMPSON AND REDWOOD HANDICAP 1600m 3:15

| | |
|---|---|
| 2 | Attamor – Back to his best when winning last start over the 1400m. Uncharted territory the mile but racing well. |
| 5 | For The Fallen – Two good runs produced at his past couple when tramping wide. Keep safe. |
| 3 | A Bit Sketchy – Good win on Hannans day over the 1600m. Has the claim of Kirby today. |
| 7 | Yeah Yeah Yeah – Been a while since his last win but has placed at his past three starts. |

R6 SNAP KALGOORLIE OPEN HANDICAP 1200m 4:50

| | |
|---|--|
| 6 | Queenie O'Lara – Placed at both starts since resuming from a mid-season let up. Looks the well weighted chance. |
| 1 | Happy Harry – Gutsy type who is looking for four in a row. Getting up in the weights but draw assists. |
| 3 | Badge Of Courage – Speedy type who should cross from the outside gate. Has won over the 1200m. |
| 5 | Chantego Star – Winner at odds on Kalgoorlie Cup Day. Hasn't won beyond 1100m yet. |
