

# EARLY MAIL

## SUNDAY RACE DAY – 10<sup>th</sup> JUNE 2018

### R1 Exchange Hotel Handicap 1760m 1:10

|   |                                                                                                                    |
|---|--------------------------------------------------------------------------------------------------------------------|
| 1 | <b>The Cruel Sea</b> – Weight looks the only obstacle. Class horse engaged and coming off a second over the mile.  |
| 2 | <b>Saturday Skies</b> – Proven over a middle distance. Ryan Hill knows the horse well and should settle on speed.  |
| 5 | <b>Carob</b> – Second of Helen Harding's horses engaged. Drawn well but needs to run a strong 1760m to figure.     |
| 3 | <b>Anglo Irish</b> – Shown glimpses over longer distances and will continue to step up throughout his preparation. |

### R2 Palace Hotel Maiden 1400m 1:42

|   |                                                                                                                    |
|---|--------------------------------------------------------------------------------------------------------------------|
| 1 | <b>Nobel Suspect</b> – Placed in stronger company last start. The three year old seems to run for Glenn Smith.     |
| 6 | <b>Lizzie</b> – Seven minor placings from thirteen starts. First time over 1400m. Castle to overcome barrier nine. |
| 7 | <b>Could Be Queen</b> – Will appreciate the big drop in class. Has finished close up in stronger company.          |
| 5 | <b>Niseko Dreaming</b> – Transferred to Fernie after debut run. Should improve at his second start.                |

### R3 Overland Motel Handicap 1100m 2:22

|   |                                                                                                                        |
|---|------------------------------------------------------------------------------------------------------------------------|
| 1 | <b>Mervyn</b> – Getting up in the weights but the competition engaged has not strengthened. Responds to Smith.         |
| 7 | <b>Foxy Royale</b> – Reeling off some strong sectionals. If they go helter skelter she can steam over the top of them. |
| 3 | <b>Code Violation</b> – Placed at all three starts this preparation including a win. Keep safe.                        |
| 4 | <b>Badge of Courage</b> – Third up. Possesses early speed and should work forward early.                               |

### R4 North End Tavern Handicap 1200m 2:55

|   |                                                                                                                        |
|---|------------------------------------------------------------------------------------------------------------------------|
| 4 | <b>Swift Sis</b> – Half a length behind Dainty Tess two starts back followed by third in the listed Sheila Gwynne.     |
| 2 | <b>Prohurst Express</b> – Two runs under his belt he should be ready to fire albeit the big impost.                    |
| 6 | <b>Senorita Bonita</b> – Returned from a break with a good third beaten less than a length. Getting up in the weights. |
| 5 | <b>Corvara</b> – All interest lies with the mare that hasn't been beaten locally. Suffered serious injury last year.   |

### R5 Beaten Track Brewery Handicap 1200m 3:25

|   |                                                                                                                     |
|---|---------------------------------------------------------------------------------------------------------------------|
| 1 | <b>Little Fish</b> – Money was on last start and the three year old blitzed them. Promising type.                   |
| 6 | <b>Nazareth</b> – Grinded to the line last start when third behind Little Fish.                                     |
| 5 | <b>Mybak</b> – Broke maiden status last start over the 1100m with a convincing win. Should sit in the leading pack. |
| 8 | <b>Superfine</b> – First up for new trainer Ashley Grace. Previous runs at the KBRC suggest he can place.           |

### R6 Tower Hotel Handicap 1600m 3:55

|   |                                                                                                                         |
|---|-------------------------------------------------------------------------------------------------------------------------|
| 1 | <b>Rojo Color</b> – Went past them with ease last start. Lucy Warwick still had a handful of horse going over the line. |
| 8 | <b>Don't Speed</b> – Racing well and will appreciate the mile for the first time this preparation.                      |
| 3 | <b>Major Mambo</b> – Form hard to fault. Pateman likely to work forward early and sit prominent.                        |
| 6 | <b>Yeah Yeah Yeah</b> – Won an easier assignment last start over the same distance. Each way hope.                      |

### R7 Happy 80<sup>th</sup> Birthday George Grljusich Handicap 1400m 4:25

|    |                                                                                                                          |
|----|--------------------------------------------------------------------------------------------------------------------------|
| 6  | <b>All Square</b> – Looks the one to beat. Glenn Smith has an opinion of this horse which is a good lead.                |
| 10 | <b>Sirius Prospect</b> – Should work forward from an outside draw. Finished close up behind some handy types.            |
| 3  | <b>Be That Poet</b> – Won with ease at his last two starts in the bush. Interesting too see how the three year old goes. |
| 1  | <b>Song Of War</b> – Top weight engaged who with the right run can win. Lucy Warwick to be legged aboard.                |

QUADDIE SUGGESTION  
2-3-4-6-5/1-6-5-8/1/1-2-3-4-5-6-10
