## SUNDAY RACE DAY 12<sup>th</sup> AUGUST 2018

R1 City Building Supplies Maiden 1200m 1:05	
8	<b>Quirky Girl</b> – Brings some of the stronger form lines into the race. Expect to work forward early on.
9	<b>Smartravella</b> – Been hitting the line well late. 1200m might be a bit short but with a well timed run can figure.
1	<b>Buff Man</b> – Now with local trainer Dave Smith. Six minors from thirteen attempts.
10	<b>She's A Ranga</b> – Fourth career start. Developing type who finished a distant second last start.

R2 Choices Flooring Kalgoorlie Handicap 1400m 1:40	
3	<b>Saturday Skies</b> – Consistent type who continues to earn. Distance ideal and not as strong as previous weeks.
2	<b>High Limit</b> – Doesn't win all that often but suited in this field. Places at three of his last five.
6	<b>Outer Detention</b> – First time in this grade locally but ran a handy race in town last start.
4	<b>Tax A Million</b> – Beaten over four lengths at this first start locally. Look for improvement.

R3 Office National Kalgoorlie Handicap 1400m 2:15	
12	<b>Truth And Lies</b> – Featherweight chance with McNaught's claim. Each way chance in an even field.
9	<b>Miss Merit</b> – Ran well at first start since April. Hit the line strong and the 1400m should suit.
7	<b>Cloak And Dagger</b> – Now settled locally with George Grljusich. Coming off an encouraging last start second.
5	<b>Shakedown</b> – Winning chance if the speed is clapped on early. Looking for second win at the track.

R4 Tilly's Takeaway Handicap 1600m 2:50	
4	<b>Oorah</b> – Hard to go past winning two of her past three. Lightly raced and the 1600m ideal.
7	<b>Rare Selection</b> – Most of his better racing has been over the middle distance. Two minors from four goes locally.
10	<b>Killorglin</b> – Hit the line well last start from the tail to finish third. Gets in on the minimum.
2	<b>Major Mambo</b> – First time in seven starts to finish outside the top two last start. Hill going on a plus.

R5 John Matthew & Sons Real Estate Since 1982 Hcp 1300m 3:25	
4	<b>Jimmy Rapid</b> – Nice developing type who excelled in Esperance. 1300m first up should suit.
1	<b>Badge Of Courage</b> – Disappointing last start with the horse pulling up mildly lame. Good win prior to last start.
12	<b>Poets Prince</b> – Third at his past three starts in races that read well for today. Backmarker who flies late.
5	<b>Makuru</b> – Haven't seen the best of her at the KBRC but well performed over the 1300m.

R6 Railways Football Club Handicap 1200m 4:05	
2	<b>Wocknwoll</b> – Hard to go past after a dominant win last start. Looking for her third win at start ten.
6	<b>Nobel Suspect</b> – Forced to race in the cheap seats last start. Drawn well and should be on speed.
5	<b>Invincible Mode</b> – Steele Casey trained galloper who lines up as an each way chance. Keep safe.
1	<b>Mybak</b> – Both wins to date have been over the 1100m. Rarely beaten far and Clark's claim will assist.

R7 Barnicott Plumbing Handicap 1100m 4:40	
8	<b>Bos Taurus</b> – Proved to be a nice acquisition for Ash Grace and has now proved himself in open company.
6	<b>Too Clever</b> – Back after a mid-season break. Has his quirks but the potential is massive.
4	<b>Senorita Bonita</b> – Beaten in the last stride last start. Proven type who gets the claim of McNaught again.
2	<b>Rikki Tikki Tavi</b> – Remarkable stat that he has never been unplaced over 1100m from twelve starts.
