MAGIC MILLIONS RACE DAY 29th JULY 2018

R1 Buy A Yearling Feb 2019 Maiden 1300m 1:17

3	Astrophobia – Progressive type who brings some of the better form lines into the race. Draw the only concern.
2	Just Thank Me – Drawn well and has the ability to muster early. Seventeen start maiden.
10	Quirky Girl – Finished close up at her past couple. First time over the 1300m.
11	Smartravella – Continues to hit the line strong when the races are done and dusted. Each way chance.

R4 Horseco Exchange Handicap 1600m 3:02

2	Sky Atlas – Asked for too much last start when taking off at the half mile. Still managed to box on. Each way.
1	Noir De Rue – Likely favourite looking for three in a row. Tougher company today and no claim.
3	Major Mambo – Hasn't put a foot wrong this preparation. Pateman elects to jump off. Paterson on.
8	Yeah Yeah Yeah – Featherweight chance with the claim of McNaught. Narrowly missed last start.

R7 Magic Millions Race Series Handicap 1100m 4:45

5	Wocknwool – One that will appreciate the drop back to the 1100m. Progressive filly.
1	Foxy Royale – Up in the weights with the drop in class. Always works home nice.
7	Shirasca – Second up and should be fit with a couple of trials under her belt as well. Only win over 1100m.
3	Nobel Suspect – Consistent type who was dealt a blow with the draw. Adaptable type and may settle rearwards

R2 Magic Millions WA Maiden 1760m 1:52

9	Slurpin Turpin – Coming off a eye catching performance when rattling late over the 1600m.
7	Bantry – Cheeky effort when trying to lead throughout last start. 1760m suits given the mile performance.
6	Spiritual Warrior – Improved effort last start to finish within a length of the winner. Keep the 3yo safe.

R5 Magic Millions In The Swan Valley Handicap 1600m 3:35

7	Oorah – Gets into the race well at the weight scale. Missed narrowly last start behind an inform type.
1	Coolgardie AI – Steps out of maiden company today after a solid win. Expect to sit on speed.

6	Atarenza – Quaddie killer last start when winning at massive odds. On the seven day backup.

R3 Magic Millions Insurance Handicap 1760m 1:27

1	The Delorean – Firing for Paddy Bermingham. Looking for three in a line and Pateman stays aboard.
2	Inject The Venom – Winner at odds last start when defying a leader bias. Looks the main danger.
3	Solar Sky – Martin Allan brings the lightly raced seven year old to Kalgoorlie. Won two over the mile.
4	Booma Lacka – Alan Kennedy goes on which is a plus. Well performed locally.

R6 Goldfields Magic Millions Classic 1200m 4:10

2	Pym's Royale – Looks extremely hard to beat. Pateman likely to take a sit with some pace engaged.
4	Little Hercules – Looks a nice type for the Brown stable. Hit the line well last start.
6	Turbo Power – Neville Parnham no stranger to winning this race. Each way hope in the Classic.
7	Hillbert – Acid test today but has been ticking all the boxes. Drops back to the 1200m which is a slight query
